**Nexum, Inc. Recognized on CRN's 2022 MSP 500 List**

**CHICAGO, IL, February 21, 2022** – Nexum®, a leader in networking and cybersecurity solutions, announced today that it has again been named to the 2022 Managed Service Provider (MSP) 500 list in the Security 100 category by [CRN](#)® (a brand of [The Channel Company](#)). This popular list identifies North American solution providers that deliver operational efficiencies, IT system improvements, and a higher rate of return on investments for their customers. These accomplished MSPs work tirelessly to guide their customers and create solutions for complex IT issues.

Nexum's *first\*defense*® Managed and Monitored Services ensure that our customers have 24 x 7 x 365 protection with the fastest response possible from our expert engineers. Nexum has a 20-year history of providing our customers with industry-leading products, services, support, and training.

"We've experienced continued growth, basing our success on world-class engineers delivering integrated solutions from best-of-breed manufacturer partners. Nexum's expertise and industry knowledge continue to be invaluable to our customers and partners as we rise in the MSP 500 rankings," said David J. Lesser, Founder and CEO of Nexum.

The MSP500 list can be found online at [www.crn.com/msp500](http://www.crn.com/msp500).
